### Description

**4,965 sqm Land on Bulevardul Pipera 164 – Mixed-Use Residential and Services Project with Underground and Surface Parking**

## Premium Location, Excellent Access, and High Investment Potential

Located in Voluntari, on one of the most dynamic and sought-after arteries in the north of Bucharest, this land benefits from an approved project for the development of a modern complex consisting of 3 mixed-use buildings – collective housing and service spaces. Its prime location, close to Pipera's business hub and some of the most prestigious residential areas, makes it a high-potential investment.

### General characteristics of the land and project:

- Total land area: 4,965 sqm
- Designation: Residential + service spaces on the ground floor
- Approved height regime: B+GF+3F (basement, ground floor, 3 floors)
- Configuration: 3 independent buildings with separate pedestrian and vehicle access
- Parking infrastructure:
  - Underground: 92 independent parking spaces + 7 dependent spaces
  - Surface: 9 parking spaces, including spaces for persons with disabilities
- Utilities available: water, gas, electricity, sewage

**Proposed apartment mix:**

- Studios
- One-bedroom apartments
- Two-bedroom apartments
- Three-bedroom apartments

The apartment mix is designed to meet a wide range of market needs – from young professionals and active couples to families seeking spacious, well-designed layouts.

**Competitive advantages of the project:**

- Premium location – minutes from Floreasca, Aviației, and major shopping centers in the north
- Optimal functional mix – residential units combined with commercial spaces, attracting both buyers and tenants
- Excellent accessibility – quick connections to Șoseaua Pipera-Tunari, Șoseaua Petricani, and DN1
- Full infrastructure – generous underground parking, landscaped green areas, separate access for residential and service areas
- High investment potential – steady demand in the local residential market and attractive yields for commercial spaces

This property represents a rare opportunity for developers, with full documentation and approvals already in place for a comprehensive project tailored to current market trends in the northern Bucharest real estate sector.
